## Login Page

The image shows a mobile application login screen. At the top, there is a dark header bar with a back arrow icon and the word "Login" in white. Below the header, the background is a solid light brown color. In the center, there is a logo for "TEAM VULTURES" featuring a stylized black vulture head. Below the logo, there are two input fields: "Username" and "Password". The "Password" field has a small eye icon to its right, indicating a toggle for password visibility. Below the input fields, there are two dark buttons: "Login" and "Sign Up". At the bottom of the form area, there is a link that says "Forgot Password?". The entire screen is framed by a light blue border, and there are small icons on the right and bottom edges representing mobile UI elements like a menu and a home button.
